### SALT LAKE DAILY HERALD

SUNDAY MORNING, MAY 9, 1880.

THE DAILY HERALD is published every morning, Mondays excepted, at East. Temple Street, near First South, Salt Lake City, by the HannalD PRINT-ING AND PUBLISHING COMPANY, Schacription price \$10.50 per annum, post-age included; parts of a year at the they necessarily have a bad effect annu rate. To weekly subscribers, collection made by carriers, 25c. a week.

Postage outside the U.S. and Canada,

candidates for the presidency. The and novels claiming to be respectable judge's effense consists in writing a and moral in tone, the boys' and girls' search found two of Lyle's children quet recently given in Washington to Boss Shepherd. The San rarely makes a mistake and it has not done Boss Shepherd. The San rarely makes a mistake and it has not done not come under the ban of the law, and this time. No man can ever be president who loves or har sympathy for any of the thievas and corruptionists who thrived and were protested under Grant's Administration, ful and immoral influence. If

some contract of the state of t will be constructed with more care as influence of good associations and to their eatety; bridges will not fall so office, and buman life will be taken better account of altogether. In the Madieon Square Garden case, not a few persons of them public the publication and sale of the Salmon, who had been married about the collection and sale of the salmon, who had been married about the publication and sale of the salmon, who had been married about the publication and sale of the salmon, who had been married about the salmon, who had been married about the salmon, who had been married about the salmon and salmon the salmon who had been married about the salmon and salmon the salmon that th

shue and demanciation at the head of Police Judge Rix, of Scn Francisco, who scattened Kearney to the Hunes of Correction. The New York research to the seeds of evil to be sown, as he rests at sight in his locally cell, after putting in eight bonns of labor for the public, but they will not shorten his period of confinement, ferseen the sum that he must pay we a money penalty for his crime, nor cause Judge Rix to deal less oprightly with the fellows who have brought San Francisco who he will not shorten to still indignate to that deeper and more will not short for the parties will not firm the life will yet be called upon to still indignate to that deeper and more will not short for the first will yet be called upon to still indignate to that deeper and more will see what the first will yet be called upon to still indignate to that deeper and more will not short for the first will yet be called upon to still indignate to the called upon to still indignate to that deeper and more will see what the first many special to the still prelified in the store of the store of the still prelified in the store of the store of the still prelified in the store of the state of the store o of Police Judge Rix, of Sen Francisco, reading. A failure to perform this

Another of those sentimental than arong at home. mockeries where men profess religion on the eve of death, and in consequence are duly ticketed through to to the Autoric region, the expedition heaven, was witnessed in Texas on to sail from Genea on May 1, 1881. Friday. A brutal negro, under seu- The thip will be manned with men tence of death for outraging a white sulected from the royal many and woman, was converted to a builef in Italian whaling vessels, and two the Savier, and on the scaffold de- winters are to be spent in the Antarclared himself a "soldier of the tic region. Excursions are to be cross," made what he had been told | made on the ice in order to gether as was peace with his God, and was much information over as wide an dropped into eternity. It is well that area as possible. The entire cost, the priests and ministers cannot con- estimated at 600,000 lire, is to be vince the world generally that these borne by the government, five-minutes-before-death conversions are anything but the veriest bosh. If THE Sr. GOTHARD Tunnel furnishes prople all believed in their effective- a striking example of accurate surness, there would be few Christians veying. The entire length of the more than an hour old in the tunnel is nine miles and a quarter, churco. Looking at it from a and the two galleries were bored with humanitarian point of view, the such precision that they met with a humanitarian point of view, the such precision that they met with a difference of only four inches in level anthorized the use of troops to qualitations may be commended. That Texas nigger may have suffered less inalf inches.

In his mind by reason of the build! inspired in him that he was about to A Good Thing.

A Good Thing.

A Good Thing.

A Good Thing.

Common sense, such things are buriesques, if not sacrilegious. Does anyone suppose that the Texas black washed away the sin of one of the most beinous crimes of which man can be guilty, by professing religion and belief in Christ? If there be a hell be will find it, despite his scaffold conversion, and his five minutes service as "a soldier of the cross." If it were otherwise there would be no need of ministers or churches, or Christianity, as we might all be saved, except those few who were smatched to the lower regions in the midst of colors and in owery town and sold in every town and colors and in owe sold in every town and colors of the lower regions in the midst of the colors. The colors of the severest nature, affection in every case, which its lass stood from test of years, giving entirely and the colors of the severest nature, affection in every case, which its lass stood from test of years, giving entirely and the colors of the severest nature, affection in every case, which its lass stood from test of years, giving entirely and the colors of the colors of the severest nature, affection and leaving the period pre-trained forman Syrup is the special pre-trained forman Physician, and is acknowledged to be one of the most fortunate discoveries in Medicine.
